

Jamaal's Instagram story

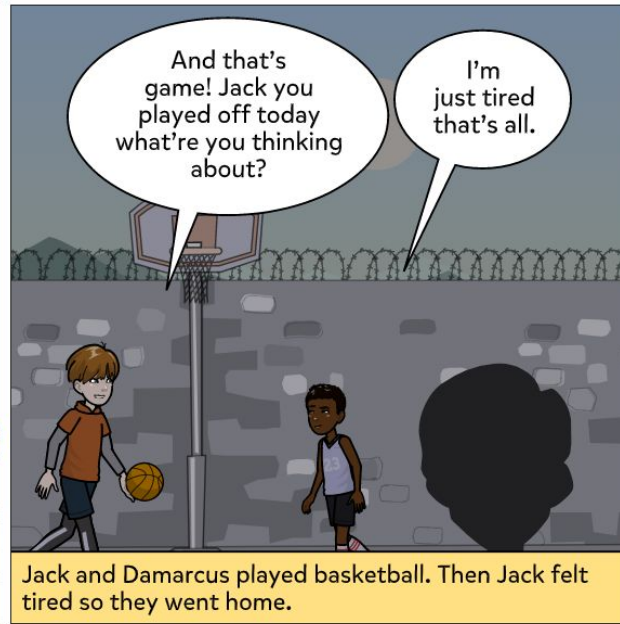

After viewing Jamaal's new Instagram story, Jack got frustrated.

As Jack was talking about Jamaal, he saw Jamaal enter the building and made eye contact with him

That should be us right now. He's only fortunate because of his expenses and looks.

You have got to stop comparing yourself to him, everyone is unique in their own way.

Jack continued to glare at Jamaal's instagram story and it only fueled his anger even more.

Jack got home and had to use the restroom

WHOOOSH

When he finished he looked at himself in the mirror and thought...

Why do I look so ugly?
Why can't I look just as
good as Jamaal or even
better! and live the
luxurious life he's
living?

psst
psst

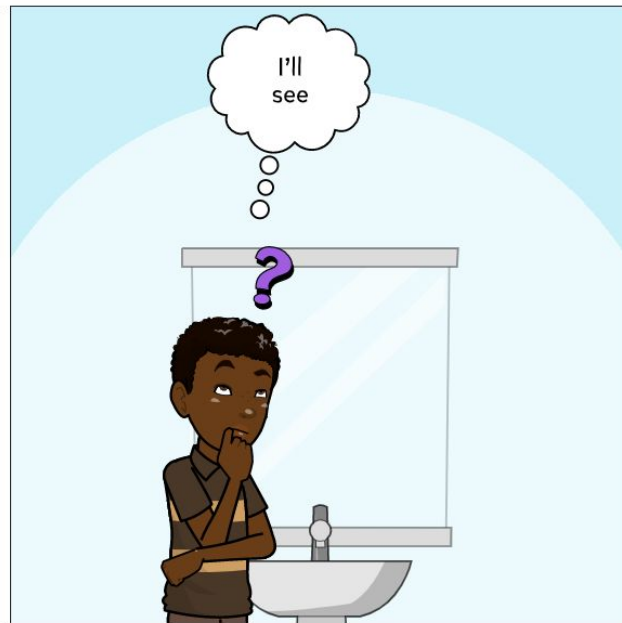

You're the prize not him.

who are you?

The version of yourself you don't want others to see. You care so much about what he has compared to you then do something about it.

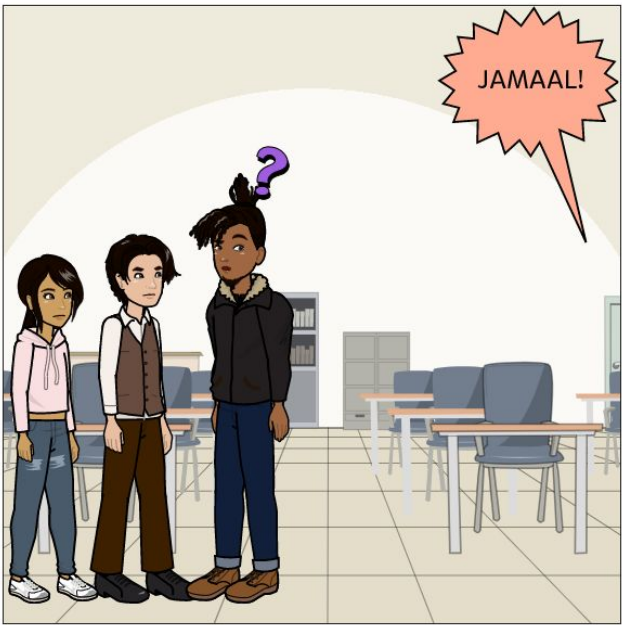

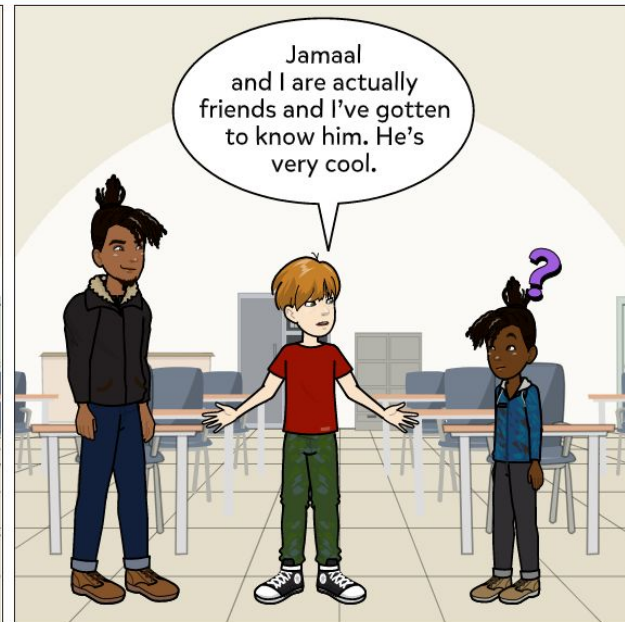

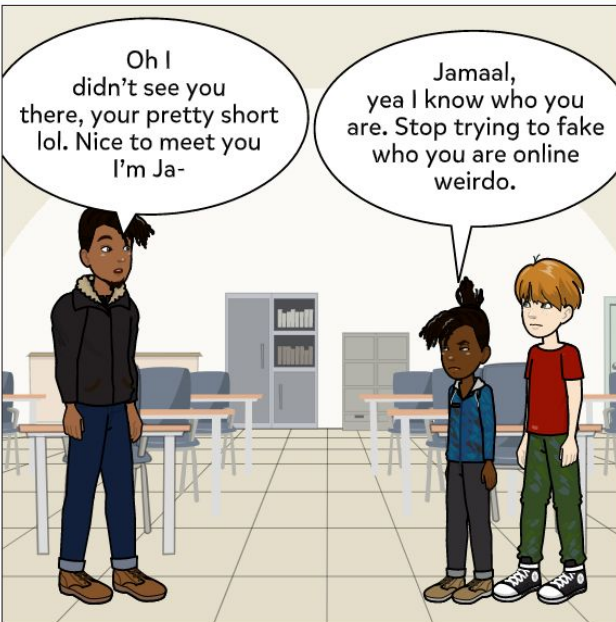

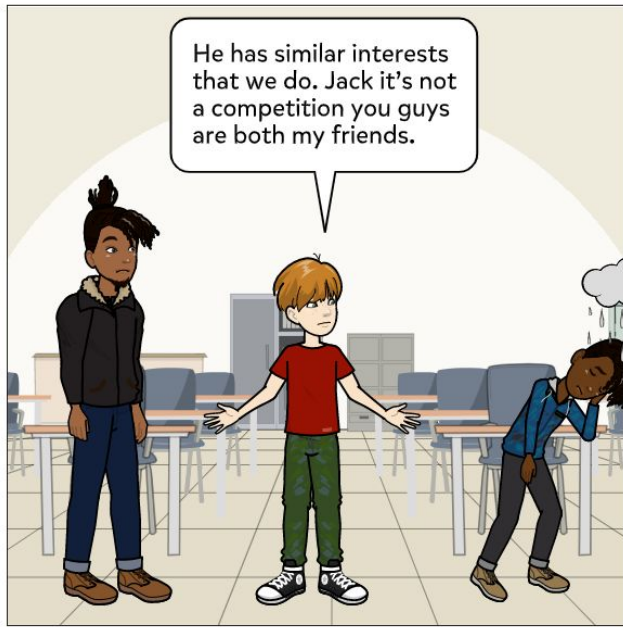

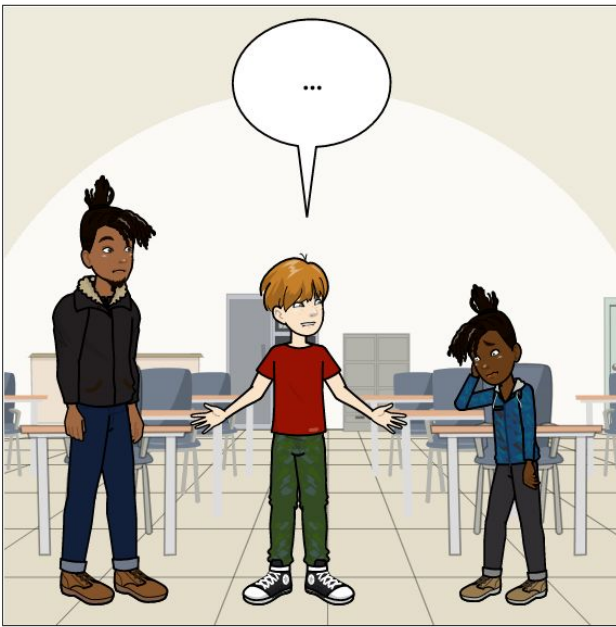

The next day Jack woke up with a motive to confront Jamaal and expose him for being a fraud online.

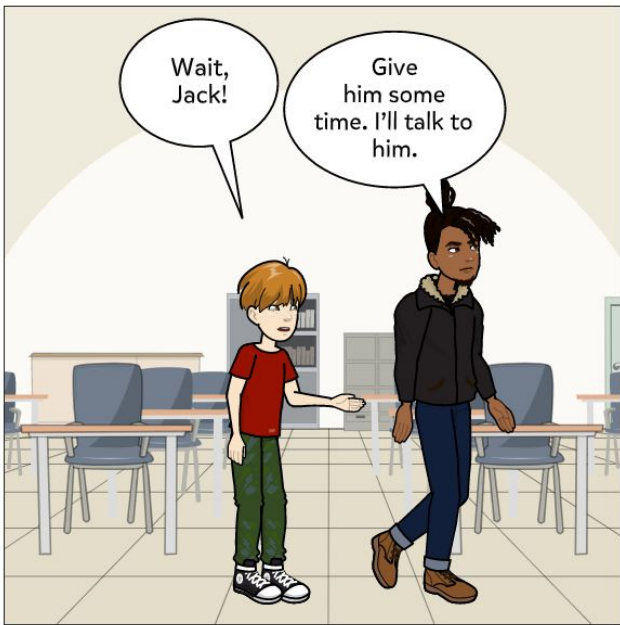

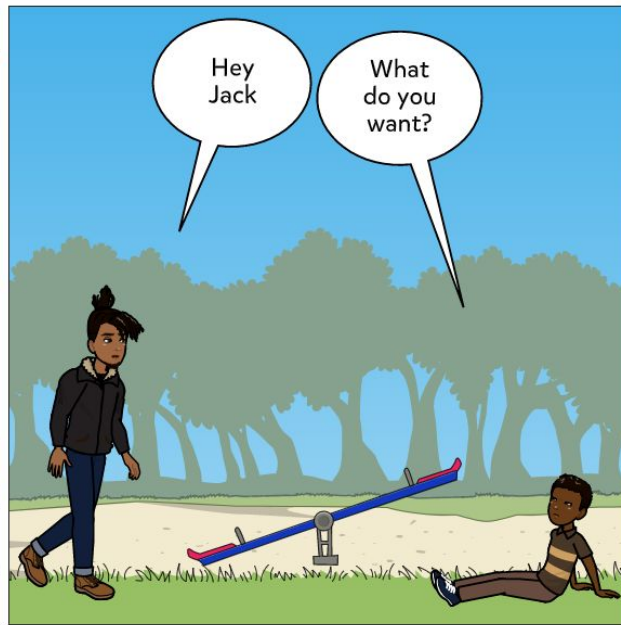

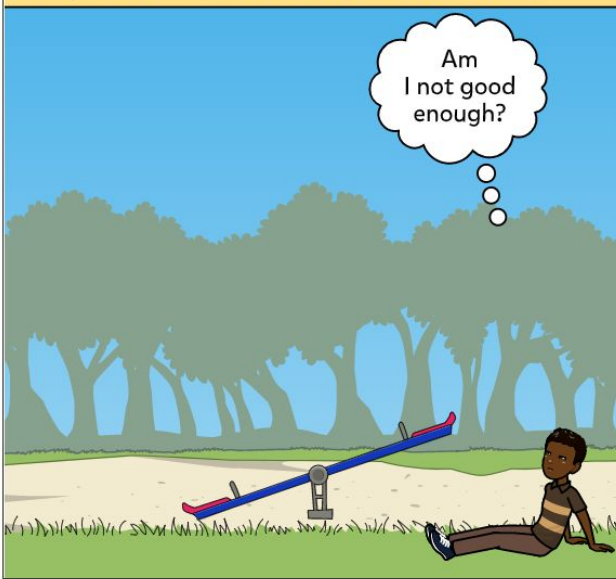

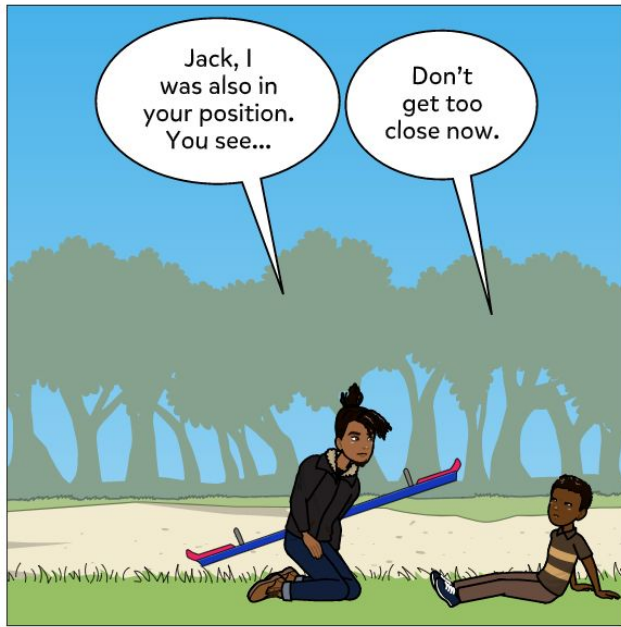

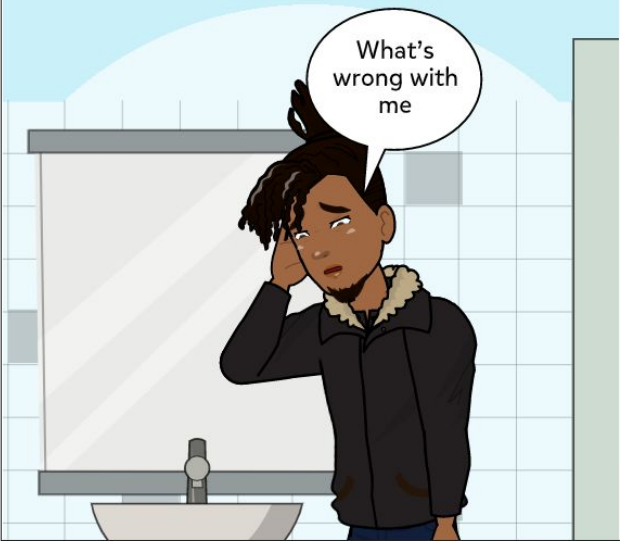

Jack got rid of the fake look and started thinking

"I felt so insecure about myself and questioned multiple times.."

So you see, it's not what I have that makes me likeable. I don't fake anything online for attention I do it to motivate others that they can reach their goals too. Comparing yourself to someone else for your own personal gain won't help you in the long run. Be yourself and people will value you for who you are.

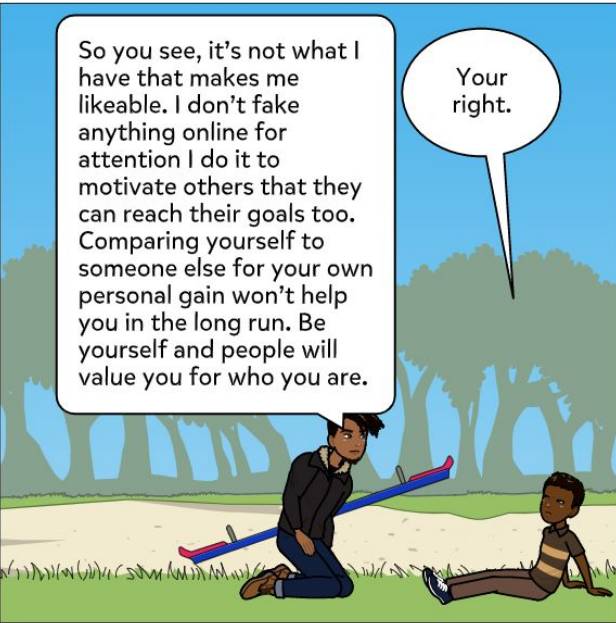

Your right.

Oh so now he's right. I've been trying to tell you this from the beginning.

lol

Yea yea I know.

Jamaal I'm sorry for the way I misjudged you. I shouldn't have compared myself to you and assume who you are based off social media.
